

**Chemistry-I/IA/AP assignment**  
**Due on Tuesday, September 2nd.**

**Part One:** “Your Future Story”.... 10 years beyond GHS.you will construct a time line beginnning with June 2016 (or whatever your graduation year) and concluding with June 2026.

I expect your timeline to be quite specific with information including:

- Post-Secondary education (college) or job (which college? why? major? which job, why?), any “gap year” type plans; if you are planning military or other plans, include them.
- Career beyond school: what? where? why? location?
- Any time-out to travel or do “other experiences”?” What? Where? When?

This Timeline can be done on the back of this sheet or another sheet or on you laptop.

**Part Two:** Your Goals in Chemistry for this school year. I am requirting you to complete a list of at least three legitimate and attainable goals that you would like to reach in chemistry this year. These could include grades, experiences, skills, etc... I expect these goals to be thoughtful, mature and serious.

Goal #1:

Goal #2:

Goal #3:

Again, this assignment is due on Tuesday, September 2nd at the beginning of class. It will be a graded homework assignment. It will be graded based on thoroughness and effort.
